I wanted to look natural on my wedding day as I don't generally wear a lot of make up. Rebecca made me feel at ease and listened to what I wanted. I had a pre wedding trial and was excited by how she made me look, glamorous yet understated It was perfect! She even helped all my bridesmaids get ready

Rebecca was great - she understood what I wanted (natural) and spent as much time as I needed at my trial to achieve the right look. She helped out when my other supplier ran out of time, and she gave me the full list of all my make-up afterwards so I could recreate the look. I loved my make-up.

Rebecca understood the look I wanted immediately and worked tirelessly with me to achieve it. Her professional input was invaluable. She was brilliant with my Mum who normally wears very little make up. Her manner is lovely and she puts you instantly at ease.

From the outset Rebecca was brilliant. She responded to my emails in a very timely manner, answered my queries and provided comprehensive information. She was flexible, accommodating my last minute hair changes. On the day had a fabulous manner as well as doing a stunning job on my hair and make-up.

Rebecca was absolutely fabulous. She was punctual, kind, friendly & funny on the day. She did a beautiful job with my hair and make-up and made my elder sister / chief bridesmaid look the most beautiful we've ever seen her. Highly recommended!

Why Did Brides Book?

The website was what enticed me to contact Rebecca Green for my hair and makeup, looking at examples of her previous work with bridal hair and makeup. It was exactly what I was looking for. She was quick to respond to my emails and very professional. I would not hesitate to recommend Rebecca Green to anyone else.

I liked here website and she sounded warm and friendly on the phone.

I liked the look of her style of make up and we had her husband as our photographer

Rebecca was local to where I was originally getting married and even when my venue got cancelled and she had to drive over and hour out of her way to get to me she still came. Great Value for money and perfect makeup and hair.

The website was clear & helpful and on speaking with Rebecca I felt instantly at ease - she was helpful & communicative and it was clear from the trial that she was really listening & knew exactly what I wanted - easiest decision I've ever made!

Her website was professional and offered exactly what I was looking for.

I found her through my photographer. I liked the natural but flawless look her portfolio showed and having had my trial knew she was right for us.

Her personal style, attitude and great references.

From website and conversation

I choose Rebecca for a number of reasons, 1. Her combined skills with hair and make-up, 2. her affordability, 3. her professional and warm manner when dealing with me, 4. her responsiveness when I emailed her

I booked Rebecca because her website was well designed and presented, her pictures on her web page of her fantastic make up work did give me a lot of confidence in who I was hiring and the pricing was very reasonable. Her

communication throughout the booking phase was extremely good, fast polite, detailed responses, I could tell she cared and wanted to help. I am so glad even now I hired Rebecca I would never recommend anyone else for the job.

Initially I booked Rebecca Green Bridal based on her price and value for money. However this was the best decision I made as she was BRILLIANT and did an amazing job, second to no one!!!

I liked her video on her website of doing a red headed bride's hair and make-up with a beautiful natural look. She was helpful and friendly by email and could make my date.

My friend had hers done by Rebecca and she has the same very light skin tone as me, and she looked absolutely stunning. She has a real eye for choosing make-up that really suits the individual and takes their ideas into account throughout.
